White Tee for Qualifying Seniors Explanation

Qualifying seniors will be able to elect to play from the White tees for the season. Seniors will not be allowed to revert to Blue tees until the next season.

Qualifying:

- Golfer's age (on the first day of the club's season) and handicap from the blue tees (at the end of the previous season) must add up to 100 or more.
- If age + handicap falls below 100 during the season the member will continue playing from the White tees until the end of the season.

Rules:

- Golfer must subtract 1 stroke from his Blue tee handicap in all competitions as recommended in the USGA Handicap Manual 9-3(c) i.
- Play Whites in Calcuttas, Club Championship(s), MPQ, Match Play, Sweeps, Weekly games, etc.
- When playing in a competition that requires "D Players" to play from a specified tee, players will use their full Blue tee handicap.
- Play the White tees unless otherwise instructed.
- Qualified seniors playing from the White tees must be sure to turn in scores under the "White Tees" tab on the handicap computer.
- Failure to enter scores for the correct tee can artificially lower your handicap.
- New senior members may qualify after entering 20 scores, at the discretion of the Board of Directors, anytime during the season.

The Board of Directors reserves the right to add or delete members from the list of qualified members allowed to play from the White tees.
